

# A GOULD'S HUNTER'S PARADISE

"Superb facilities and organization. This ranch is simply the best place to hunt a Gould's Turkey in Mexico, period."

*-Dr. Eric Gustafson, President of the U.S. - Mexico Chamber for NE Mexico and former CEO of Ducks Unlimited of Mexico*

"The wild turkey hunting at Rancho El Durangueno is simply fantastic, maybe the finest hunting anywhere in the entire world's wild turkey kingdom!"

"...it would not surprise me if the next World's Record will be harvested there!"

*-Mr. Howard W. Pollock, Member of Congress for Alaska (retired) and former President of Safari Club International*

"Our last hunt at El Durangueno was a huge success: my brother's bird made #5 on the all-time heaviest bird on the weight record with the NWTf; my 6 bearded bird was #1 on the A-Typical bird and my 4 bearded bird was #2 with the NWTf all-time record.

We can't wait for our next visit to the Rancho."

*-Mr. Roy Adams  
Bainbridge, GA.*
